Baby it's alright
Stop your cryin' now
Nothing is here to stay
Everyhting has to begin and end
Ship in the bottle won't sail

All we can do is dream that the wind will blow us across
the water
A ship in a bottle set sail

Baby it's alright stop your cryin' now
There was a weakling man
Who dreamed he was strong as a hurricane
A ship in a bottle set sail
He took a deep breath a blew across the world

He watched everything crumble
Woke up a weakling again

Some might tell you theres no hope in hell
Just because they feel hopeless
But you don't have to be a thing like that
You be a ship in a bottle set sail

Baby it's alright stop your cryin' now
It's alright
So stop your cryin' now
You be a ship in the bottle set sail
