look at this big eyed fish swimmin in the sea  
oh, how it dreams to be a bird  
swoop and dive through the breeze  
so one day, caught this big old wave up onto the beach  
now the fish is dead, you see  
cuz fish should know stay down in the sea

Chorus:  
but oh god, under the weight of life  
things seem brighter on the other side

The story of this man who decided not to breathe  
he turned red, then blue, then purple, so colorful,  
indeed  
no matter how his friends begged and pleaded  
he would not concede  
now the man is dead, you see  
cuz every man should know you got to breathe

Chorus:  
but oh god, under the weight of life  
things seem brighter on the other side  
oh god, but under the weight of life  
things seems much brighter on the other side...

you see this monkey sittin up in his tree  
until one day, decided to climb down and run off to the  
city  
but look at him now, tired and drunk  
the monkey's livin' in the street  
as good as dead, you see  
cuz every monkey should know, stay up in your fuckin  
tree

Chorus:  
but oh god, under the weight of life  
things seem so much brighter on the other side  
oh god, but under the weight of life  
things seem much brighter on the other side
