She gives a wicked ride
Yes, she does
She says, "I'll make you wanna climb
Right out yourself"

She said to break free
You might have to give up your life
But I was thinking
I love to get inside you

I'll drink your poison if you fill the cup
You make me crazy baby, don't let up
And if I'm fallin' I don't want to stop
I'll give up everything to have your love

I'll drink your poison if you fill the cup
I'll drink your tears, don't you cry, cry, cry cry

She is a wicked heart
Yes, she is
She goes down so hard
She might never come back

She's gonna break free
The way she loves to laugh
But I was thinkin'
I'd love to get some of that, girl

I'll drink your poison if you fill the cup
You make me crazy baby, don't let up
And if I'm fallin' I don't want to stop
I'll give up everything to have your love

I'll drink your poison if you fill the cup
I'll drink your tears, don't you cry, cry, cry cry

I'll drink your poison if you fill the cup
You make me crazy baby, don't let up
Well, if I'm fallin' I don't want to stop
I'll give up everything to have your love

I'll drink your poison if you fill the cup

I'll drink your tears, don't you cry, cry, cry cry

I'll drink your poison if you fill the cup
You make me crazy baby, don't let up
Well, if I'm fallin' I don't want to stop
I'll give up everything to have your love

I'll drink your poison if you fill the cup
I'll drink your tears, yeah
