Don't drink the water here...

Come out, come out, no use in hiding.  
Come now, come now, can you not see  
There's no place here, what were you expecting?  
No room for both, just room for me.

So you will lay your arms down,  
Yes, I will call this home.

Here's the hitch, your horse is leaving.  
Don't miss your boat, it's leaving now.

And as you go I will spread my wings.  
Yes, I will call this home.  
I have no time to justify to you,  
Fool, you're blind, move aside for me.

All I can say to you my new neighbor,  
You must move on or I will bury you.

Now as I rest my feet by this fire  
Those hands once warmed here, but I have retired  
them.  
I can breathe my own air and I can sleep more soundly

Upon these poor souls,  
I'll build Heaven and call it home.  
Cause you're all dead now.

I live with my justice  
And I live with my greedy need  
And I live with no mercy  
And I live with my frenzied feet  
And I live with my hatred  
And I live with my jealousy  
And I live with the notion that I don't need anyone but  
me

Don't Drink the Water  
Don't Drink the Water  
Blood in the water
