Dream I killed God and woke up
Dream I killed God and woke up
He's begging "please, please, please."
"no, don't..."

Dream I killed God and woke up
Time dries, time dries my mind
Oh, I'll survive, no one can save us
Talk to myself, talk to my soul

I want you to follow
Yes, follow...
It's only...it's only a dream, only

Dream I killed God and woke up
He was lying, bleeding and wishing

It's passing
It's passing
Dream I killed god
Dream I killed god
Is he dead?
And then I dreamt of him
