Father gone and I'm heading

It's a bold side of it again

When you decide to go to him

And the people toasting away

And the people all sitting there, c'mon
Everybody gonna come on in

Like, like c'mon in, yeah, yeah

Everybody gonna come on in

Y'all it's you wanna c'mon, sir
Eh hee yeah amanaya yeaha yeah eh eh amana

Eh hee yeah amanaya yeaha yeah eh eh amana

Eh hee yeah amanaya yeaha yeah eh eh amana

Eh hee yeah amanaya yeaha yeah eh eh
Praise God who has many names

The devil have many more

With the love that my mother gave me

I'm gonna drop the devil to the floor
I'm gonna drop the devil to his knees

I'm gonna drop the devil to his knees
The problem is someone will try to convince you

That they know the answer no matter the question

Be wary of those who believe in a neat little world

Cause it's just fucking crazy you know that it is
Eh hee yeah amanaya yeaha yeah eh eh amana

Eh hee yeah amanaya yeaha yeah eh eh amana
Walking along in this haze of confusion

Sometimes I collect, sometimes it takes all of my
strength

Just to find enough reason to take the next step, step

But I will, but I will, till I do
Eh hee yeah amanaya yeaha yeah eh eh amana

Eh hee yeah amanaya yeaha yeah eh eh amana
Brother, sister

Brother, sister

Brother, sister

Brother, sister
Praise God who has many names

The devil have many more

With the love that my mother gave me

I'm gonna drop the devil to the floor
I'm gonna drop the devil to his knees

I'm gonna drop the devil to his knees
Strange evolution how people have come to believe

That we are it's greatest achievement

When really we're just a collection of cells

I'm gonna drop the devil to the floor
I'm gonna drop the devil to his knees

Strange evolution how people have come to believe

That we are it's greatest achievement

We're barely, we're just a collection of cells

somebody's gonna save the world
