She said give me perspective  
Give me peace of mind I  
Cause the world so selective  
so lopsided  
so unkind

way back in Virginia  
way back in my  
history she said

there's an empty armed  
empty handed girl  
Is that me she said

and I said  
you are no empty shell  
you are no empty shell  
you are no empty shell  
I say  
cause the brightest ???  
the loudest ???

heavenly bound I said  
now you know

plucked from the sky like diamond  
plucked from the sky like spring's new leaf  
whether it's  
God's will  
or my wish  
it happened yeah  
you were  
plucked from the sky like dragonfly

almost an angel, eleanor  
almost an angel, eleanor is...  
almost an angel, eleanor  
almost an angel

almost an angel, yeah  
almost an angel, yeah  
almost an angel, yeah

almost an angel, yeah

she turns to her father  
his head in a book  
she said  
why even bother  
he don't look up  
he don't look up  
he don't look up  
he don't look up  
he don't look still

he thinks he knows me well  
he thinks he knows this heart  
he's memorized my mind  
he's just memorized some lines

the brightest ???  
the loudest ???

heavenly bound I said  
now you know

plucked from the sky like diamond  
plucked from the sky like spring's new leaf

whether it's  
God's will  
or my wish

It happened  
thank God you were

plucked from the sky like dragonfly

you're  
almost an angel, eleanor  
almost an angel, eleanor is...  
almost an angel, eleanor  
almost an angel

almost an angel, yeah  
almost an angel, yeah  
almost an angel, yeah  
almost an angel, yeah

almost an angel, yeah  
almost an angel, yeah

almost an angel / I found my guardian angel  
almost an angel / I found my guardian angel

almost an angel / I found my guardian angel  
almost an angel / I got my guiding light

almost an angel, eleanor is  
almost an angel, eleanor is  
almost an angel, eleanor is  
almost an angel

almost an angel, yeah
