Yesterday morning, they let me know you were gone
Susanne, the plans they made put an end to you
I walked out this morning, wrote down this song
Just can't remember who to send it to

I've seen fire and I've seen rain
I've sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me Jesus?
You've gotta help me make a stand
You've just got to see me through another day
My body's aching, and my time is at hand
And I can't make it any other way

I've seen fire and I've seen rain
I've sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

I've been walking my mind to an easy time, my back
turned towards the sun
Lord knows when the cold wind blows it'll turn your
head around
Hours of time on the telephone line, talking 'bout things
to come
Sweet dreams and fly machines, and peices on the
ground

I've seen fire and I've seen rain
I've sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you, baby, one more
time again

Thought I'd see you, once again now
Thought I'd see you, thought I'd see you, fire and rain
child
There's just a few things coming my way this time
around now
Thought I'd see you, thought I'd see you, fire and rain
