Neon shines through smokey eyes tonight
It's 2 a.m. I'm drunk again
And it's heavy on my mind

I could never love again
So much as I love you
Where you end, where I begin
Is like a river running through

Take my eyes, take my heart
I need them no more
If never again I fall upon the one I so adore

(Chorus)
Excuse me please, one more drink
Could you make it strong
Cause I don't need to think
She broke my heart
My grace is gone
One more drink and I'll move on

One drink to remember
Then another to forget
How could I ever dream to find
Sweet love like you again
One drink to remember
Then another to forget

Excuse me please, one more drink
Could you make it strong

Cause I don't need to think
She broke my heart
My grace is gone
One more drink and I'll move on
One more drink and I'll be gone

You think of things impossible
Then the sun refuse to shine
I walk with you beside me
Your cold hand lay in mine

Excuse me please, one more drink
Could you make it strong
Cause I don't need to think
She broke my heart
My grace is gone
One more drink and I'll go
Excuse me please, one more drink
Could you make it strong
Cause I don't need to think
She broke my heart
My grace is gone
One more drink and I'll move on
One more drink and I'll be gone
One more drink my grace is gone
