Let's begin

It started with a plan

To get out of here

Said "hey comin' "

Cuz the weather don't wait for no one

And sure not us

Seems so precious

Or maybe we're just tired

And bored with our lives

Because it

Seems so sinful at the same time

5 miles out of town

She turns to me and says

"Is it too late to turn around?"

Cuz I think I forgot my things

And I think we forgot our heads

And it can't get too far without that

Seems so precious

Or maybe we're just tired

And bored with our lives

Because it

Seems so sinful at the same time

Seems so precious

Or maybe we're just tired

And bored with our lives

Because it

Seems so sinful at the same time

Seems so precious

Or maybe we're just tired

And bored with our lives

Because it

Seems so sinful at the same time

She turned around

I seen that face as I watched her say

Goodbye.....

Goodbye.....
