Hold me out
So I can see you
Hold me down
If runnings what's got into me
Cause cry as I may
I won't set you away

Oh I'm older
Still the baby gets his way
And I'll wander to the big line
And never wanna make the best 'lil rhyme
And soon I'm in the back door
And your deceit is growing big

Oh, I'm on
But you'd rather be somewhere else
But I'm out here all alone
Trying to reach you

So, hold me down
If I've got to fear
Hold me up
If runnings what's got into me
Cause cry as I may
These tears won't wash you away

Though I'm older
I cry like a baby everyday

Then I come into the big line
Let it all go out in the wee hours of the morn
I'm coming back, I'll chase time
And the fool will lead the blind

Cry as I may
These tears won't wash you away
Then I'm (?)
And I'm all facing at an empty room again
And no one's coming to the big line
I feel the better moment rising
Oh, I've been told

So cry as I may
These tears won't wash you away
