Oh great light, of love  
Oh great light, of love  
Oh great light, of love  
Oh great light, of love

Here you go the dirty girl  
Good, God, try to love to try to ahh  
God, love is a lively sight  
Do you know who needs you?

I wanna be your hunger  
I wanna see you open wide  
And when I go down for you  
I wanna blow your mind

It's.....  
So good of you  
To love you

You and I  
Such a pretty thing  
Smile, smile  
You know you thrill me  
Cross your heart, and hope to die  
You know I'd love to...

I wanna be your hunger  
I wanna see you open wide  
And when I go down for you  
I wanna blow your mind

You and I, uh, uh  
Shine, shine

Oh great light of mine  
Oh great light of mine  
Oh great light, of love  
Oh great light, of love

You come is like an answer prayer  
Praise God  
Try to love try to ah

I have the new dusted eye  
Ooo oh, I love you

I wanna be you hungry  
I wanna see you open wide  
And when I go down for you  
I wanna blow your mind

You, you, heyy yeah  
You, you...not lllll  
You, you ohh
