Come on, come on  
Oh y'all  
If we get it right  
We'll eat the world  
And you got a question  
Just get in line  
Cause my intentions are to make you mine

I take care of everything,  
And all you need friend is right here,  
Oh if you're lost, I got a bobble head Jesus,  
It will only cost you to get on your knees

The money is clean 'cause we scrub it good  
With guns and gasoline we're gonna save the world  
Nothing's obscene if we only close our eyes  
Boys and girls welcome to this joyride

Yeah  
Come on  
Oh y'all  
Listen up,  
When we gon' steal the world  
Now if you're lost I got a bobble head Buddha  
Legs crossed,  
But is in the groove

The money is clean and we scrub it good  
With guns and gasoline we could save the world  
Nothing's obscene if we only close our eyes  
Boys and girls welcome to this joyride, it's a joyride,  
this Joyride, it's a joyride

If your confused,  
If your unsure,  
Be sure of this,  
We use you well  
And if youre lost, I will find your way  
Give me your soul friend it's okay  
Joy

YESS.. YESS.. YESS.. everythings playing out  
YESS.. YESS.. YESS.. everything playing out right your  
tip into there

Come on come on,  
Shoot shoot,  
And get in line you, g-get in  
Up up...  
light up, light up  
Goin' oh

The money is clean 'cause we scrub it good  
With guns and gasoline we're gonna save the world  
Nothing's obscene if we only close our eyes  
Boys and girls welcome to this joyride,  
It's a joyride, this joyride, it's a joyride
