"Love Of My Life"

Where you are that's where I want to be
And through your eyes are all the things I want to see
In the night you are my dreams
You're everything to me

You're the love
Of my life
And the breath
In my prayers
Take my hand
Lead me there
What I need is you here

I can't forget the taste of your mouth
From your lips, the heavens pour out
I can't forget when we are one

You alone and I am free

Everyday, every night
You alone, are the love of my life

Everyday, every night
You, alone, are the love of my life

We go dancing in the moonlight
With the starlight in your eyes
We go dancing 'til the sunlight
You and me, we're gonna
Dance, dance, dance
