Bring that beat back to me again  
Take me back, take me back, can't catch me, can't  
catch me  
Bring that beat back to me again  
Take me back, take me back, can't catch me, can't  
catch me

Ride my bike down the old dirt hill  
First time without my trainin' wheels  
First time I kissed you I lost my legs  
Bring that beat back to me again

Scream and shout out loud our innocence  
And days when all we did would never end

Bring that beat back to me again  
Take me back, take me back, can't catch me, can't  
catch me  
Bring that beat back to me again  
Take me back, take me back, can't catch me, can't  
catch me

Smokin' under the railroad bridge  
I used to ride my bike down that old dirt hill  
The first time I kissed you I lost my legs  
Bring that beat back to me again

Scream and shout out loud our innocence  
Days when all we did would never end  
Screamin' down that old dirt hill  
Bring that beat back to me again

[But she'd snow] when it gets hard  
That's when the days I remember seem so far away  
When I was just a kid that's what I miss  
Yeah, I was just a kid that's what I miss  
Oh, take me back, take me back to that beat again

Smokin' under the railroad bridge  
Bring that beat back to me again  
Bring that beat back to me again  
Bring that beat back to me again

First time all we, good good friends  
Bring that beat back to me again  
Bring that beat back to me again  
Bring that beat back to me again

Bring that beat back to me again  
Bring that beat back to me again  
Bring that beat back to me again
