Come and see  
I swear by now I'm playing time  
I against my troubles  
I'm coming slow but speeding  
Do you wish a dance and while I'm  
in the front  
the play on time is won  
but the difficulty is coming here

I will go in this way  
And find my own way out  
I wont tell you to stay  
But I'm coming to much more  
Me  
All at once the ghosts come back  
Reeling in you now  
What if they came down crushing  
Remember when I used to play for  
all of the loneliness that nobody  
notice now  
I'm begging slow I'm coming here  
Only waiting I wanted to stay

I wanted to play  
I wanted to love you

I'm only this far  
And only tomorrow leads my way

I'm coming waltzing back and moving into your head  
Please, I wouldn't pass this by  
I would take any more than  
What sort of man goes by  
I will bring water  
Why wont you ever be glad  
It melts into wonder  
I came in praying for you  
why wont you run  
in the rain and play  
let the tears splash all over you
