"Rain"

Oh, rain, well, in your dreams, rain, right
Go up and rain when you're flying
You don't know what you don't know
You know what you don't know
And you know what you know
Why rain?
But you're evil
I have deep confidence in me
Rain, but sure is rain
I won't go away from you
Oh, I am the devil, I am rain
The devil hides in you, to play again

Oh yeah God
Sometimes I'll sleep on it
This life I would maybe think to hang it up in the
cupboard
And hope for something better
But alright... now it fades away into nothing, baby,
baby, baby
