Oh well oh well so here we stand
Still we stand for nothing
My heart calls to me in my sleep
How can I turn to it
'Cause I'm all locked up in this
Dark place -
And I do not know
I'm as good as dead
My head aches -
Warped and tied up
I need to kill this pain

My head won't leave my head alone
And I don't believe it will
Until I'm dead and gone
My head won't leave my head alone
And I don't believe it will
Until I'm six feet underground

How long I'm tied up
My mind in knots -
My stomach reels
In concern for what I might do or What I've done
It's got me living in fear
Well I know
These voices must be my soul
I've had enough I've had enough of being alone
But I've got no place to go

My head won't leave my head alone
And I don't believe it will
Until I'm dead and gone
My head won't leave my head alone
And I don't believe it will
Until I'm six feet under ground
In my grave
Lying wired shut and quiet in my grave
Leave me here
Leave me here to waste here

So young and here I am again
Talking to myself

A T.V. blares
Oh man
Oh how I wish I didn't smoke
Or drink to reason with my head

But sometimes this thick confusion
Grows until I cannot bear it at all
Needle to the vein
Needle to the vein
Take this needle from my vein my friend
I said

My head won't leave my head alone
And I don't believe it will
Until I'm dead and gone
My head won't leave my head alone
And I don't believe it will
Until I'm dead and gone

In my grave
Lying
Lying cold in my grave
The reason -
My reason
Take my head off this terror
The fearing won't come back
I can't see
My mind's all wiped clean
The needle
Make my great escape
I seem caught in time
My head leaves me behind
Body fall cold
And I see heaven
