Standing on the rooftop
Theres all these people watching
Hard to find the words when
You've got so far to fall
Just trying to keep a secret
And never tell a sole no no
And take another drink so
I can lose control
I
I want you to
Tell me that you want me, you want me too
I
I want you to
Tell me that you want me, want me
If I was a winner
I'd cut the cards and deal them
And buy a great big house where
We could disappear
But you find yourself a sweet spot
People want to get some
You're just another dead man
Trying to fool the world, ah
I
I want you to
Tell me that you want me, want me too
I
I want you to
Tell me that you want me, want me too
oh oh oh, oh oh oh
yeah yeah yeah, oh oh oh
oh oh oh, yeah yeah yeah yeah
Gave you the best of me
When you said good bye
Should have taken the rest of me
See the morning come up, come up
If you're going out tonight
Maybe i catch your eye
Maybe we'll lose our minds tonight
We'll fall until we fly
I
I want you to
Tell me that you want me, want me to

I
I want you to
Tell me that you want me, want me to
I
I want you to
Tell me that you want me, want me to
I
I want you to
Tell me that you want me, want me
