She walks through my head (?)  
Oh mountains change my way  
Walking would have been faster  
But mountains got in the way  
Lotta snow today  
Lotta snow today  
And we go here (?)  
Got me tired again

Hey  
Drive two miles an hour down a mountain trail  
Don't go any faster, gonna lose my way  
Can't go any faster, gonna lose my way  
Right on the mountain, snow today

Heeeeeeeey  
Heeeeeeeey

Again we play

Giddyup giddyup away  
Giddyup giddyup away

Gonna be late if we don't find our way  
Hurry, yeah  
Oh hustle  
Oh hustle  
Ohhh away...  
Hey...
