Sometimes I feel like I'm falling  
Fall back again, fall back again,  
Fall back again, fall back again

Oh, life it seems a struggle between  
What we see and what we do  
I'm not going to change my ways  
Just to please you or appease you  
Look at this crowd, nine thousand proud  
Willing to punch it out  
Right, wrong, weak, strong  
Ashes to ashes all fall down  
Oh, Look around about this round  
About this merry-go-round around  
If at all God's gaze upon us fall  
His mischievous grin, look at him

Forget about the reasons and  
The treasons we are seeking  
Forget about the notion that  
Our emotions can be kept at bay  
Forget about being guilty,  
We are innocent instead  
For soon we will all find our lives swept away

Oh, Look at me in my fancy car  
And my bank account  
Oh, how I wish I could take it all down  
Into my grave, God knows I'd save and save  
Man, Take a look again, take a look again,  
Things you have collected,  
Well in the end it all piles up so tall  
to one big nothing, one big nothing at all

Forget about the reasons and  
The treasons we are seeking  
Forget about the notion that your emotions can be  
kept at bay  
Forget about being guilty, i am innocent instead  
For soon we will all find our lives swept away

And you know how it is,

You seek up an emotion  
And our cup is overflowing  
You seek up an emotion,  
Sometimes your well is dry  
You seek up a big monster  
For him to fight your wars for you  
But when he finds his way to you, the devil's not  
Going--ha, ha

Say, oh say  
oh

Late at night with TV's hungry child  
his belly swells  
Well, for the price of a coke or a smoke  
I could keep alive those hungry eyes  
Take a look again, take a look again,  
Take a look again  
Everyday things change,...basically they stay the same

Forget about the reasons and  
The treasons we are seeking  
Forget about the notion that  
Our emotions can be kept at bay  
Forget about being guilty,  
We are innocent instead  
For soon we will all find our lives swept away

You seek up an emotion  
And our cup is overflowing  
You seek up an emotion,  
Sometimes your well is dry  
You seek up a big monster  
For him to fight your wars for you  
But when he finds his way to you,  
The devil's not going--ha, ha  
Fall back again, fall back again, fall back again...  
Ashes to ashes, dust to dust,  
Fall back again...
