Smooth Rider

Hungry

Last night no way
I was gonna be a left hungry
And then your daddy caught me sneakin out ur bed

Its just a game I play
Its just I roll that way
No thanks sweet baby
I'm messing with your head

I'm a smooth rider baby
You know I just keep movin on
Don't know why I like to carry on
The way I do
It's just that I'm in love with you

If u see me out there runnin
And u hear the sherrifs comin
Your daddy's crazy with that gun in his hand
You know they're comin for me
And you know their running for me
You know my love won't let them keep me away

I'm a smooth rider baby
You know I just keep movin on
I don't know why I like to carry on
The way I do
It's just that I'm in love with you, oh

If you seen me out there runnin
And you hear the sheriffs comin
Your daddy's crazy w/ that gun in his hand
If you know they're comin for me
And you know their running for me
You know my love won't keep me away

I'm a smooth rider baby
Oh Oh
Smooth rider baby

I'll out there running
