You cannot quit me so quickly
Is no hope in you for me
No corner you could squeeze me
But ive got all the time for you love

The space between
The tears we cry is the laughter that keeps us coming
back for more
The space between
The wicked lies we tell to keep us safe from the pain

Will i hold you again

These fickle fuddled words confuse me
Like will it rain today
We waste the hours with talking talking
These twisted games were playing

Were strange allies
With warring hearts
What a wild eyed beast you be

The space between
The wicked lies we tell that hope to keep us safe from
the pain

Look at us spinning out in the madness of a
rollercoaster
You know you went off like the devil in the church
In the middle of a crowded room
All we can do my love
Is hope we dont take this ship down

The space between
Where you smile and hide
Thats where youll find me if i get to go

The space between
The bullets in our fire fight
Is where ill be hiding waiting for you
The rain that falls

Splashed in your heart
Ran like sadness down the window into your room

The space between
Our wicked lies is
The hope to keep safe from pain

Take my hand
Cause were walking out of here
Right out of here
Is all we need dear

The space between
Whats wrong and right
Is where youll find me hiding
Waiting for you

The space between
Your heart and mind
Is the space well fill with time

The space between
The tears we cry is the laughter keeps us coming back
for more
The space between
Our wicked lies where we hope to keep safe from pain
The space between The space between
