Probably get it wrong
much as I get it right
But I got it right, women
when I caught your eye
Remember most about that night
Is I love the way you move baby
Yes I love the way you move baby

I like most liquor
but I don't like gin
Don't always like the skin I'm in
But when I get it wrong gotta start again
Still I love the way you love me baby
And I love the way you move
I love the way you move

All the freaks are on parade
I wanna fill my belly
So I gotta get paid
Doesn't everybody deserve to have the good life?
But it don't always work out
Cry cry baby if we must but
Just remember
Oh remember
I love the way you love me baby
And I love the way you move

I'm not all bad
But I'm a faithful sinner
I might get lost
But I'll be home for dinner
If God don't like me
He can send me to hell
But I love the way you love me girl
I love the way you move

I pray to Heaven to keep my place
But I looked in the mirror
saw the Devil's face
And I'd be a dog for a tail to chase
But I love the way you kiss me baby

And I love the way you talk baby
You move
Love the way you move, but

All the freaks are on parade
I wanna fill my belly
So I gotta get paid
Doesn't everybody deserve to have the good life?
But it don't always work out
Cry cry baby if we must but
Just remember
Oh remember
I love the way you move me
I love the way you love me baby

Bad days come
when the good day's gone
Working as hard as the day is long
And a working man works well at home
but I love the way you talk baby
Yes I love the way you talk baby

All the freaks are on parade
I wanna fill my belly
So I gotta get paid
Doesn't everybody deserve to have the good life?
But it don't always work out
Cry cry baby if we must but
Ah remember
Ah remember

All the people are on parade
I thought I saw a spaceman tryin to get laid
Doesn't everybody deserve to have the good life?
If it don't always work out
We'll cry cry baby if we must
Oh remember
Just remember
I love the way you love me baby
And I love the way you move
