[Incomprehensible]  
Get up y'all!  
Yeah!

Stand up! Stand up!  
Stand up! Stand up!  
Stand up!

I woke up to the angels singin' in my head  
You looked so good naked next to me, the angel in my  
bed

Stand up! Stand up!  
Stand up! Stand up!

I feel like a drug is cookin' in my veins  
I'm so out of my mind, I'll shoot you up again

Stand up! Stand up!  
Stand up! Stand up!

Water save my soul  
Stand up!

I feel like smoke and fire's burnin' in us all  
You drop me in the water, lift me out, save my soul

Stand up! Stand up!  
Stand up! Stand up!

Stand up! Stand up!  
Stand up! Stand up!  
(Stand up!)  
(Stand up!)

Water save my soul  
Stand up!  
Stand up!  
Stand up!  
â€¦
