Oh we were walking
Just the other day
and it was so hot outside ah
You could fry an egg
Remember you were talking and i
I watched as sweat ran down your face
Reached up and I caught it at your chin
Lick my fingertips
we were, we were, just

Wasting time
Let the hours roll by
Doing nothing for the fun
A little taste of the good life
Whether right or wrong
Makes us want to stay stay stay stay stay for awhile

Then later on
The sun began to fade
Then the clouds rolled over our heads
And it began to rain
Oh we were dancing mouths open
we were splashing and the tongue taste
For a moment this good time would never end

You and me you and me

Just wasting time
I was kissing you (kissing you)
You were kissing me love
From good day into the moonlight
Now a night so fine
Makes us wanna stay stay stay stay stay for awhile
Makes you wanna, makes you wanna
Makes me wanna, Makes me wanna
Dont it make you wanna

Wasting time
I shall miss this thing
When it all rolls by
What a day
Wanna stay stay stay stay stay for awhile

Hey love
Oh just groping you
Rolling in the mud
Stay a while
Well Come on
I wanna stay stay stay stay stay for awhile
