Maybe different but remember winters warm there you  
and I.

Kissing whiskey by the fire with the snow outside.

And when the summer comes

in the river swim at midnight (shiver, cold) touch the  
bottom

(stars are bright) with muddy toes

Stay or leave--I want you not to go,  
but you should.

It was good, as good goes.

Stay or leave--I want you not to go.

But you did.

Wake up naked, drinking coffee, making plans to  
change the world

while the world is changing us.

It was good, good love.

And you used to laugh under the covers,

maybe not so often now

The way I used to laugh with you was loud and hard.

Stay or leave'I want you not to go,  
but you should.

It was good, as good goes.

Stay or leave'I want you not to go.

But you did.

So what to do with the rest of the days' afternoon haze?

Well isn't it strange how it changes everything we did?

Did I do all that I should'that I could have done?

Remember we used to dance and everyone wanted to  
be you and me? I want to be too.

What day is this, besides the day you left me?

What day is this, besides the day you went?

So what to do with the rest of the days' afternoon haze?

Well isn't it strange how it changes everything we did?

Did I do all that I could?

Remember we used to dance and everyone wanted to

be you and me? I want to be too.  
What day is this, besides the day you left me?  
What day is this?
