I know you from the hood  
Where the â€¦ no good  
You are so far from where you should be  
That tattoo on your arm you say it's causing you harm  
Not as close as I am going to be  
She pays attention so I know that she is feeling me  
Something is missing maybe is the way I speak  
She says she likes that .. so I switch on my game  
Switch on my tune I'm gonna have her loving me soon  
I'll make you a star I can take you far  
Tell me would you strip 4 me?

I'll give you the world I'll make you my girl  
Only if you let me see I'll do anything  
I'll put that on anything  
Then I'll .. body breaks  
Been around the world  
Met so many girls  
But none of them were quit like you  
Like you

Baby I know you from 2009  
So let's try something difficult tonight  
Cause I wanna be .. into you  
I know you are used to this .. tune  
You like the way you touch me  
Until I come and put it down  
Baby there ain't no better for you  
Girls you said me the truth  
Cause if you have given up that love  
Let me tell you what's up

Has anybody ever told you baby  
You are a â€¦  
Be my devil Diva  
The way that you move your body  
You're making me wanting your body  
From head to toe  
I want you to know  
I want your body  
Baby come up we can do anything

I'll make you a star I can take you far  
Tell me would you strip 4 me?
