Ten fingers counting we have each nine planets  
Around the sun repeat  
Eight ball the last if you triumphant be seven oceans -  
pummel  
The shores of the sea

Its a typical situation in these typical times  
Too many choices, hey yeah  
Its a typical situation in these typical times  
Too many choices ell

Everybodys happy everybodys free  
Keep the big door open, everyonell come around  
Whyre you different, why are you that way  
If you don't get in line well lock you away

It all comes down to nothing  
Six senses feeling five around a sense of self  
Four season turn on n turn off  
I can see three corners from this corner  
Twos a perfect number  
But one, well

Everybodys happy everybodys free  
Well keep the big door open, everyonell come around  
Why are you different, why you that way  
If you don't get in line well lock you away,  
Aow everybodys happy everybodys free  
Well keep the big door open, everyonell come around  
Why are you different, why are you that way  
If you don't get in line well lock you away(-way fades  
out)

It all comes down to nothing (hey \_\_hey\_\_hey)

Its a typical situation in these typical times  
Too many choices, hey yaa

Aow everybodys happy everybodys free  
Well keep the big door open, everyonell come around
