When the world ends  
Collect your things  
You're coming with me  
When the world ends  
You tuckle up yourself with me  
Watch it as the stars disappear to nothing  
The day the world is over  
We'll be lying in bed

I'm gonna rock you like a baby when the cities fall  
We will rise as the building's crumble  
Float there and watch it all  
Amidst the burning, we'll be churning  
You know, love will be our wings  
The passion rises up from the ashes  
When the world ends

When the world ends  
You're gonna come with me  
We're going to be crazy  
Like a river bends  
We're going to float  
Through the criss cross of the mountains  
Watch them fade to nothing  
When the world ends  
You know that's what's happening now  
I'm going to be there with you somehow, oh...

I'm going to tie you up like a baby in a carriage car  
Your legs won't work cause you want me so  
You just lie spread to the wall  
The love you got is surely  
All the love that I would ever need  
I'm going to take you by my side  
And love you tall, 'til the world ends  
Oh, but don't you worry about a thing  
No, 'cause I got you here with me  
Don't you worry about a  
Just you and me  
Floating through the empty, empty  
Just you and me  
Oh, graces

Oh, grace

Oh, when the world ends  
We'll be burning one  
When the world ends  
We'll be sweet makin love  
Oh, you know when the world ends  
I'm going to take you aside and say  
Let's watch it fade away, fade away  
And the world's done  
Ours just begun  
It's done  
Ours just begun

We're gonna dive into the emptiness  
We'll be swimming  
I'm going to walk you through the pathless roads  
I'm going to take you to the top of the mountain  
that's no longer there  
I'm going to take you to bed and love you, I swear  
Like the end is here

I'm going to take you up to  
I'm going to take you down on you  
I'm going to hold you like an angel, angel

I'm going to love you  
I'm going to love you  
When the world ends  
I'm going to hold you  
When the world is over  
We'll just be beginning...
