Any day now, it's gonna start my real life
And any day now, everything is gonna' be alright
Any day now, life's gonna get real good
And somehow, life will be like I said it would

Any day now, mark my word
Any day now, I will be heard
Any day now, my ship
Will finally come in

Any day now, I'm gonna jump right in
And any day, now my destiny will begin, sure
And until then I'll just be here wasting my time
But, don't you worry, I'll be just fine

Any day now, mark my word
Any day now, I will be heard
Any day now, my ship
Will finally come in

Any day now, mark my word
Any day now, I will be heard
Any day now, my ship
Will finally come in

Any day now, mark my word
Any day now, I will be heard
Any day now, my ship
Will finally come in

Any day now, mark my word
Any day now, I will be heard
Any day now, my ship
Will finally come in
