Sucking on a sucker  
Running down the alley away  
From worthlessness it's dusk  
The lovely, pink sky eggs me on  
Thinking of you  
Roll this candy on my tongue

I throw a rock in the air  
But it doesn't go anywhere  
Like my spinning wheels  
Reminiscent of this sugar lump  
It seems to be lodged  
In the center of my throat

Choking on the truth  
(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

Choking on the truth  
(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

Discreetly I try to cough it out  
Try to scream and shout  
Everchanging flights of ideas  
My life is surely  
Flashing right before my eyes

You have a way, you startle me  
I laugh, I face reality  
This is a pill of strong will  
And as you intended  
So hard to swallow

Choking on the truth  
(Choking on the truth)

Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

Choking on the truth  
(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

I am honesty and this is hard  
You were everything I ever want  
Your memory is sweet candy  
The flavor's fading away

Sucking on a sucker  
Running down the alley  
Running over all the things  
I could have done differently  
You were mean to me  
I didn't mean to be so real so pure

And honest and simple  
And you make me sad  
You make me mad  
You're making me choke

Choking on the truth  
(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

Choking on the truth  
(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

Choking on the truth  
(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth

Choking on the truth

(Choking on the truth)  
Choking on the truth  
(Choking on the truth)  
I thought it was my candy  
But I'm choking on the truth
