I was just out of highschool  
In my first band  
And I married my drummer  
Our love was grand  
I thought it was forever  
Till death do us part  
And then he cheated on me  
And he broke my heart  
Chotee

So young so confused  
What was I to do?  
I'm so sorry, Chotee  
But I couldn't keep you  
I hope you can forgive me  
I hope you can forgive me

My baby, my baby, my baby  
Chotee forgive me

Me and him were fightin'  
On the road for two years  
He never loved me, anyway  
Still brings me to tears  
Chotee

He didn't really want you  
'Cause he didn't want me  
He didn't wanna be a husband  
Didn't wanna be a daddy  
I hope you can forgive me  
I hope you can forgive me

My baby, my baby, my baby  
Chotee forgive me

My baby, my baby, my baby, my baby  
So long, my baby  
So long, my baby  
So long, my baby  
So long, my baby  
My baby, my baby, my baby, my baby  
So, so long, so long my baby  
So, so long, so long my baby
