Lets see... Where do i begin?
Foolish I can never win
I guess I was only human
Ain't no easy way to say
But I need to get away
And I'm never coming back again

Baby it's my lucky day
I'm out the door walking away
I said all the things I meant to say
Adios baby arrivederci
Ciao bella, ciao ciao bella

I know I'll be better off
Time to laugh and shake it off
Change hurts and this is how we do it
Just say what you wanna say
Before the moment slips away
Just know I'm never coming back again

Baby its my luck day
I'm out the door walking away
I said all the things I meant to say
Adios baby arrivederci
(never coming back again)
Ciao bella
