I'm...I'm losing my world
'Cause you're leaving and I'm dying without you
So now I'm nothing to you
So fuck you too

Now that you tell me that you'd rather be with him
But you promised, yeah you promised you'd be mine

I, no I, I won't cry
I, no I, I won't cry

You tear me apart but you won't break my heart
Cause you took it, yeah, you took it with my soul
So now I'm nothing to you
SO fuck you too

I'm, I'm out of my mind
'Cause you use me and abuse me all the time
I know I'm nothing to you
So fuck you too
(I won't cry, you're not gonna make me, you mother)

Will he hold you like I hold you in the night?
Can he tell you that he loves you when you're mine?

I, no I, I won't cry
No
I, no I, I won't cry

You tear me apart but you won't break my heart
'Cause you took it, yeah you took it with my soul
So now I am nothing to you
So fuck you too

I'm, I'm losing my world
'Cause you're leaving and I'm dying without you
So now I'm nothing to you
