I'm I'm losing my world
Cause you're leaving and I'm dying without you
So now I am nothing to you
So fuck you too

Now that you tell me that you'd rather be with him
But you promised yeah you promised you'd be mine
I, no I, won't cry
No I, no I won't cry
Tear me apart but you won't break my heart
Cause you took it yeah you took it with my soul
So now I am nothing to you
So fuck you too

I'm I'm out of my mind
Cause you use me and abuse me all the time
I know I am nothing to you
So fuck you too

Will he hold you like I hold you in the night
Can he tell you that he loves you when you're mine
I, no I, won't cry
No I, no I won't cry
You tear me apart but you wont break my heart
Cause you took it, yeah you took it with my soul
So now I am nothing to you
So fuck you too

I'm I'm losing my world
Cause you're leaving and I'm dying without you
So now I am nothing to you
