I only just turned 15
I'm filled with hopes and dreams
I turned my radio on and
I hear the strangest song

I'm afraid of Britney Spears and Christina Aguilera
Backstreet Boys and Nsync I don't know what to think
a wooooo a wooooo a wooooo a wooooo

It's sick the way they dress
I heard that they all have big breasts
One thing I'll do if I can is
Go on Britney's bus and get a tan
They dance like they need a cure
Let's get the number of the choreographer
They're so worried about what we'll think
So They took the time to learn to lip sync
Milli Vanilli Milli Vanilli Milli Vanilli Milli Vanilli

I'm afraid of Britney Spears and Christina Aguilera
I'm afraid of Britney
I'm afraid of Britney Spears and Christina Aguilera
I'm afraid of Britney
I'm afraid of Britney Spears and Christina Aguilera

I'm afraid of Britney Spears and Christina Aguilera
Backstreet Boys and Nsync I don't know what to think

I'm afraid of Britney Spears and Christina Aguilera
Backstreet Boys and Nsync I don't know what to think

I'm afraid of Britney Spears and Christina Aguilera
