Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leader

What's wrong with you?
I wash the dishes
Walk to the post office
I get some juice in my mouth

I spit it out
I spit it out
I spit it out
I spit it all over my clean shirt
It says "Vail"

Well, I'm not yours or anyone's
I don't even own myself
I know you always watch me
I just wanna be by myself

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me

Don't wanna be your leader

You don't know me
So don't touch me
I'm not here to validate your behavior

You need to stop
You need to stop
You need to stop talking so fast

I'm not interested
In anything you have to say
I wish you would
Crawl back up to the bar

Tell it to your drink
Tell it to your drink
Tell her who you are

Don't tell me
Don't talk to me
I want you to shut your mouth

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leader

I cannot be your leader
I cannot be your leader

Stop lookin' at me
Stop lookin' at me
Stop lookin' at me
Stop lookin' at me

I brush my teeth
Stop looking at me
I park my car
Stop looking at me

Get on the train
Stop looking at me
I turn around
You stop looking at me

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leader

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leader

Don't wanna be your leader
Don't wanna be your leader
Don't wanna be your leader
