I'll always say I'm sorry. I'll always say that you were right.

I want to make you happy. I only want to make you proud.

In the summer time, we said

"I'll be watching you get over it"

And back at home we cry alone, And think... About each other...

We still don't know the damage. We recognize if somethings wrong.

I know I'll always love you. Why can't we set fire to everyone?

In the winter time, we lay

"You'll be watching me get over it"

And in our home, bone to bone, we said... We cry together...
