Lying in my hotel bed you cry
For the years that were wasted
and time gone by
Darling girl can you not see
your soul is bright
I wish you could know its all
gonna' be alright
A little determination and a little more pride
A little determination will ease your pain inside
LET ME TELL YOU
THAT YOU'RE NEVER ALONE
YEAH, YEAH
Red wine stains your lips and mind
clouding memories from which
you always hide
Little girl when will you learn
to shake it off
Try to smile or the pain
surely will not stop
A little determination and a little more pride
A little determination will ease your pain inside
LET ME TELL YOU
THAT YOU'RE NEVER ALONE
YEAH, YEAH
A sadness fuels your contemplation
You must remember your life's
only just begun
Know your in teh eye of
the hurricane
A safe place only there because there
it doesn't rain
A little determination and a little more pride
A little determination will ease your pain inside
LET ME TELL YOU
THAT YOU'RE NEVER ALONE
YEAH, YEAH
