my love's an ice-cold latte  
and it's running down yer shirt.  
you took my little heart  
and then ya threw it in the dirt!  
i won't go near yer locker  
and i cannot wash my hair.  
i can't believe you betrayed me  
and filled me with despair!!

i can't believe - horrible truth about you  
because you lied to me.  
i am only the girl who was in love with you  
but, now you lied!

i have developed frog-eyes  
from crying all the time.  
i won't go out and skate with my friends,  
i'll only stay inside.  
you ran around, behind my back  
with a pretty, blue-eyed girl.  
i am so sick of missing you -  
i think i'm gonna hurl!!

i can't believe - horrible truth about you  
because you lied to me.  
i am only the girl who was in love with you.  
but, now you lied!

i can't believe you lied to me:  
i can't believe you!

(i am only the girl who was in love with you)

i can't believe - horrible truth about you  
because you lied to me  
i am only the girl who was in love with you

but, now you lied to me...

*[bif:]* [sportin' the "x"s on her hands] self-discipline  
requires doing  
what is necessary, when it should be done,

whether it iz a pleasant task or not. a straight-edge  
lifestyle is personal choice.  
if my coffee consumption ain't straight-edge enough  
for you:  
then \*\*\*\* me with a double, skim cappuccino!

*[bif:]* um: hellooooo!! get a \*\*\*\*\* hold of yourself!!  
no complaining!! are you starving?  
no? then let's have a little perspective, shall we. see a  
therapist.  
switch to decaf. lay off the pills.  
try some stretching.  
take five.  
have a time out.  
write it down.  
make a painting.  
have a hot bath.  
quit hanging onto past hurts.  
forgive all to get over all and get on with it!  
puh-leeze! develop some humor.  
laugh it off.  
yuk it up.  
don't be mean.  
karma is instant.  
there is no coincidence.  
live today. try - ok?

*[bif:]* [crying] ring pa ambulansen.
