I guess I shoulda known shoulda seen it coming
Read the writing on the wall
Try, try, try to see the good
I guess I knew you could
You're capable of everything

Red flag! Imminent danger!
Red flag! Don't talk to strangers!
Red flag! It's like no other!
Red flag! I'm running for cover!
Red flag! Red flag! Red flag! (I can smell you a mile
away)

Your smile belies what you mean
Nothings what it seems
You are playing tricks on me
Try, try, try as usual to keep my cup half full
You empty me completely
This road of indifference
This is an offence
I am dumb and I am deaf
"Fly fly fly away, Clarice" is ringing in my ears
I always outrun my fear

Red flag! Imminent danger!
Red flag! Don't talk to strangers!
Red flag! It's like no other!
Red flag! I'm running for cover!
Red flag! Red flag! Red flag! (smelss like fear)

Red flag! Imminent danger!
Red flag! Don't talk to strangers!
Red flag! It's like no other!
Red flag! I'm running for cover!
Red flag! Red flag! Red flag! (I always outrun my fear)
