Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me  
Oho oh haa

I see your face on television  
Almost every day  
In magazines and on the big screen  
Close yet far away

I wonder why you choose those others  
And you never come to call on me  
When I'm the one who's waiting for you  
I really need you please pick me

Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me

Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me  
Oh hoo

Remember that night at my window  
When I waved at you?  
I must have been only five, or so  
But I never forgot you

I wonder why you choose those others  
And you never come to call on me  
When I'm the one who's waiting for you  
I really need you please pick me

Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me

Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me

Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me

Spaceman oh Spaceman  
Come rescue me from this  
Calling all aliens  
Come rescue me
