can you remember chestnut street
and algae ripping at our feet?
i was just a little girl
and you were my whole world.

what i'd give to be lying in your arms,
what i'd give to be your girl again:

did you know that you were my first love?

did you know it's you i still dream of?
i've grown up a lot since then
my nostalgic heart will never mend.

what i'd give to be lying in your arms,
what i'd give to be your girl again:
(what i'd give to be your girl again)
