Baby get ready i'm coming for you
I'm a vampire
I want you
Nothing you can do
I'm a vampire
Watch me do my dance for you
I want you
Nothing you can do
Baby get ready i'm coming for you,
I'm a vampire
Come to my world, child of the night
Come out of your darkness
And into my light,
Looking for you all of your life
Don't be afraid it'll be all right
God grant you serenity
You bring out the best in me
Let my love take you higher
Guess what?
I'm a vampire
Baby get ready i'm coming for you,
I'm a vampire
I want you
Nothing you can do
I'm a vampire
Watch me do my dance for you,
I want you
Nothing you can do
Baby get ready i'm coming for you
I'm a vampire
In your head you always hear me
Close your eyes i'm all that you see
My lust for life
My internal fire
Nightly dances dancin' desire
God grant you serenity
You bring out the best in me
Let my love take you higher
Guess what?
I'm a vampire
Baby get ready i'm coming for you
I'm a vampire

I want you
Nothing you can do
I'm a vampire
Watch me do my dance for you
I want you
Nothing you can do
Baby get ready i'm coming for you
I'm a vampire
Let's be together
Don't be afraid
You called me
I was what you wished for
You held me
Here beside you
I was what you wished for
I came for you
I came for you
I was what you
Wished for
Be careful what you wish for
I wished for you your whole life
Be careful what you wish for
Let me be you tonight.
Tonight
Baby get ready i'm coming for you
I'm a vampire
I want you
Nothing you can do
I'm a vampire
Watch me do my dance for you
I want you
Nothing you can do
Baby get ready i'm coming for you
I'm a vampire!
