I call you up  
You pick up  
You call my bluff  
On the cards of love  
You hold too close  
Your hands to your chest  
I can't read your eyes  
But I confess

It's lonely far from you oh  
Even when you're right by me  
It's only why I wait for you  
To take my hand...

Why do I beg like a child for your candy?  
Why do I come after you like I do? I love you...  
Whate'er you are... I swear  
You'll be my angel  
You...

I play my cards  
The best I can  
But I lose my luck  
When you're not here

My Darling heart  
Won't ya please give in?  
I may be strong  
But I want ya back again...

When you're not here  
Oh it's hard to pretend  
Its all alright again  
When your not here love  
Its hard to pretend  
Its all alright

Still, why do I beg like a child for your candy  
Why do I run after you like I do, I love you  
Whate'er you are...  
I swear  
You'll be my angel...

You...

Watch the deck, Count your cards  
It makes no sense that I'm always losin  
When you're gone...

Why do I beg like a child for your candy  
Why do I come after you like I do I love you  
Whate'er you are  
I swear  
You'll be my angel  
You...  
When you're gone...
