Baby, It's alright
Stop your cryin' now

Nothing is here to stay
Everything has to begin and end
A ship in a bottle won't sail
All we can do is dream that the
Wind will blow us across the water
A ship in a bottle set sail

Baby, It's alright
Stop your cryin' now

There was a weakling man
Who dreamed he was strong as a hurricane
A ship in a bottle set sail
He took a deep breath and blew across the world
He watched everything crumble
Woke up a weakling again

Some might tell you there's no hope in hand
Just because they feel hopeless
But you don't have to be a thing like that
You'll be a ship in a bottle set sail

Baby' It's alright stop your cryin' now
It's alright so stop your cryin' now

You'll be a ship in a bottle set sail
