Walking by a river I
Reach my hands to cup the sky
Run down my arms
A bitter blue
Turn to red and
The gashes grew
The river taste me I am
So much more then I have ever been
Oh, oh, oh, oh
Take this my arms
Take this my eyes
That this my mouth and all this
Seems to be completely true

Liars and witches
...
Liars and witches
Then I leave you there crying
Liars and witches
Still many say we are open wide
But no
Liars and witches
Take and leave then we are leaving
Liars and witches
No choice but to forsake one and save the other
Oh

Walking by a river I
Reach my hands to cup the sky
Run down my arms
A bitter blue
Turn to red and
The gashes grew
The river taste me I am
So much more then I have ever been
Oh, hey, hey, hey

It's ok, it's alright
Take this my arms
Take this my eyes
That this my mouth and all this
Seems to be completely true

Yeah
