Crazy as I may
Make my way
Through this world
It's for no one but me to say
Which direction I should turn in

Because I am the captain of this ship
Eyes, eyelids, and kissing lips
The same as it was
We should be forever again
You give
But you don't know
Away you give
And you
You give
To roll me back again
You give
For me again
You leave

And people say
Oh look at the way
The girl dances her life away
Oh even more than that
All the crazy, crazy things she does

She sings
I am the captain of this ship
Eyes, eyelids, and kissing lips
Just the same as it was
Away to me
And I
Coming back to you

Why should I
Bend myself around to make you smile
Why should I
Wear your blinders to give you style
Why should I compromise my high
So that you can
You give and roll
The hand is back again

And reign me along
You give, play
I won't be here too long
You give
So wait and see
Waiting me along
You give the reigns
To roll me back again
You give
Play me around
You give
And why, why
You give, play
Play me again
By your side
We're the same as we were
And wait
Dance, dance, do your thing
You while away
