Grace Is Gone

Neon shines through smoky eyes tonight  
It's 2 am - I'm drunk again it's heavy on my mind  
I could never love again so much as I love you  
Where you end where I begin is like a river going  
through  
Take my eyes, take my heart I need them no more  
If never again they fall upon the one I so adore

Excuse me please one more drink  
Could you make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll move on

One drink to remember, then another to forget  
How could I ever dream to find sweet love like you  
again  
One drink to remember, and another to forget

Excuse me please one more drink  
Could you make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll move on  
One more drink and I'll be gone

You think of things impossible then the sun refuse to  
shine  
I woke with you beside me your cold hand lay in mine

Excuse me please one more drink  
Could you make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll go

Excuse me please one more drink  
Could you make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll move on  
One more drink and I'll be gone  
One more drink my Grace is gone
